

Two-thirds of the nation's drug abusers are employed.

One substance abusing employee costs a company roughly **\$7,000** per year in tardiness and absenteeism; injuries, workers' compensation claims and health care expenses; production loss; and theft.

Builder's Exchange has joined forces with *Working Partners*<sup>®</sup>, a drug-free workplace consulting and training firm, to offer you discounts on drug-free workplace products and services.

Visit <http://BX.WorkingPartners.com> to access your discount and learn what a drug-free workplace program can do for your organization.
