

EVO B2B is proud to be the Preferred Payment Processor of The Builders Exchange

BENEFITS OF PROCESSING WITH EVO B2B

Offset the cost of doing business

- Save on payment processing rates with Level 2 and 3 transaction support.
- Add an additional fee to credit card transactions to offset your cost of accepting credit card payments.
- Leverage the great rates negotiated on your behalf by the Builders Exchange.

Get paid faster

- Give customers flexible payment options by allowing them to pay with either credit card or ACH.
- Easily send requests for payment to customers through email or text message.
- Give customers access to an online portal where they can make payments 24/7.

"Since partnering with EVO B2B, Builders Exchange has seen a reduction in our credit card processing costs and an increase in our productivity. We highly recommend that you, as a member, reach out to them for a quick analysis to see what they can do for you."

- Ashley Grandetti,
Builders Exchange, Inc. Executive Director
